04/06/2020	<a href="#">6656</a>	<b>DOCKET TEXT ORDER</b> (no separate order issued:) At the hearing on April 7, 2020 at 10:00 AM, the court will begin with the Applications re Justice Trotter and Ms. Yanni. Counsel for the TCC should respond to the several objections suggesting that granting these applications locks in substantive procedures that should be addressed as part of confirmation. Also, counsel should explain what protections exist for inappropriate or excessive charges prior to the funding of the Trust. Counsel for Debtors should explain the difference between taking amounts in excess of \$2.5M from the Trust and reducing the amount to fund the Trust. Also, how can the court know in advance whether \$2.5M is insufficient or \$22M too much? Next the court will consider any opposition to the Contingency Process Motion; it has considered the statements filed by parties in support and does need to hear from them unless necessary. Finally, the court will consider any objections to the ex parte motion of the TCC re its proposed letter to Fire Victim Claimants; such objections may be presented orally during the hearing. 04/25/2020		<b>DOCKET TEXT ORDER</b> (no separate order issued:) Denied The proposed settlement with the Federal and State Agencies, that has been in the works for some time, is a significant milestone. But filing the necessary pleadings on a weekend and asking to shorten time to require objections by May 4, and a hearing two days later, is not warranted absent any evidence that the settling agencies have required such speed or that the two official committees and other major parties have even been consulted about the request to shorten time. Given the difficulties all are experiencing with the current crisis and the already scheduled PG&E date of May 12, 2020, at 10:00 AM, for other matters, the court DENIES the request to shorten time to consider the proposed settlements on May 6. Counsel for Debtors should upload a revised order setting the hearing on May 12 at 10 AM, with objections due by May 9 at 4:00 PM, PDT.
